

THE ART OF THE ASK

WITH KATHLEEN D. MAILER

Kathleen D. Mailer is in tremendous demand as one of the most dynamic, passionate, and influential speakers in the world today. She uses her life experiences, wisdom, and teaching to help people not only find their only unique purpose, passion, and mission in life, but she also shows them how to package that message to create the income they need, in order to enjoy the life they were destined to live. In her very own words:

We have everything we need (all of us) at our fingertips to live a life of prosperity and abundance. We have to learn to unearth the nuggets, discern which ones are gems, polish them up and, like all gifts, share them with the world.

Ask and it will be given to you; ***seek*** and you will find, ***knock*** and the door will be opened to you. For everyone who asks receives, those who seek find; and to those who knock the door will be opened. Matthew 7:7,8

Asking God for the needs and wants in your life is a simple art form. Kathleen will share with you a mature Christian's view of the Art of the ASK. (**A**-Ask. **S**-Seek. **K**-Knock).

- If you have ever searched for answers but felt like God wasn't listening, then this evening was designed with you in mind.
- If you have ever wondered, "How do I know if what I am asking for is God's will?", then you need to be here with your ears open.
- If you have ever felt a little lost, like God isn't answering your prayers and you don't know why, then it is time to get some answers.

Kathleen D. Mailer will encourage and motivate you to "Boldly come to the throne of Grace" so you can accomplish the goals that God has ordained in your life.

Come early for fellowship.
